

THE FOLLOWING FOUR SCREEN SHOTS ARE FOR INSTRUCTIONS ONLY

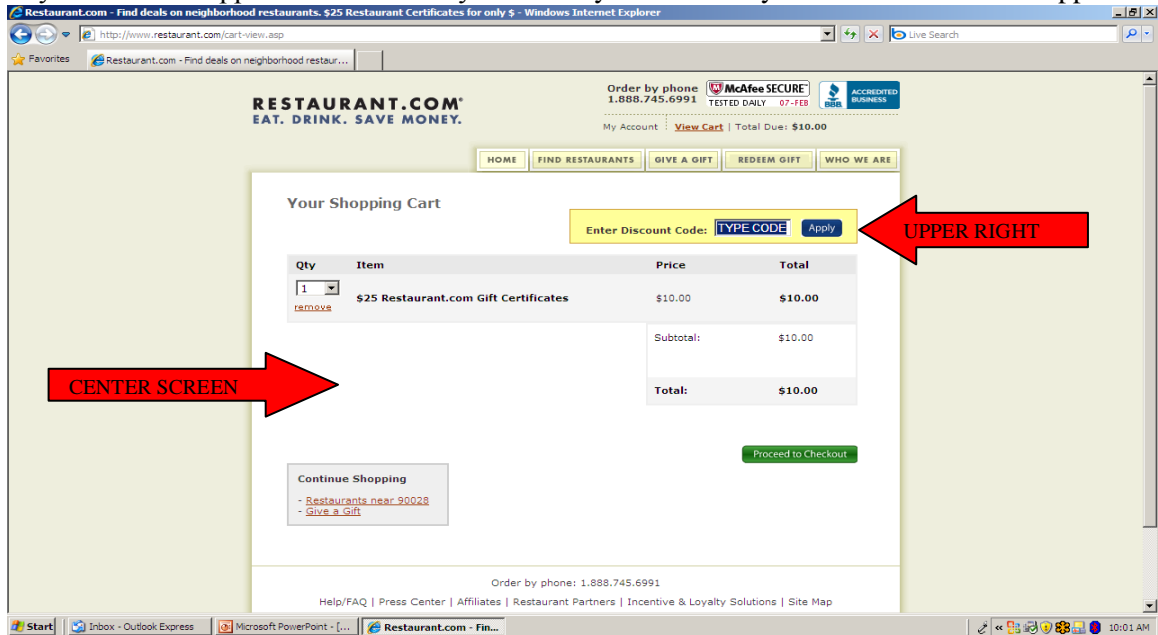

1. Click on the link in Step 2 of the email you received. A screen similar to the one below will display the restaurant.com code you need. Click the code below the BLUE BAR to begin shopping.

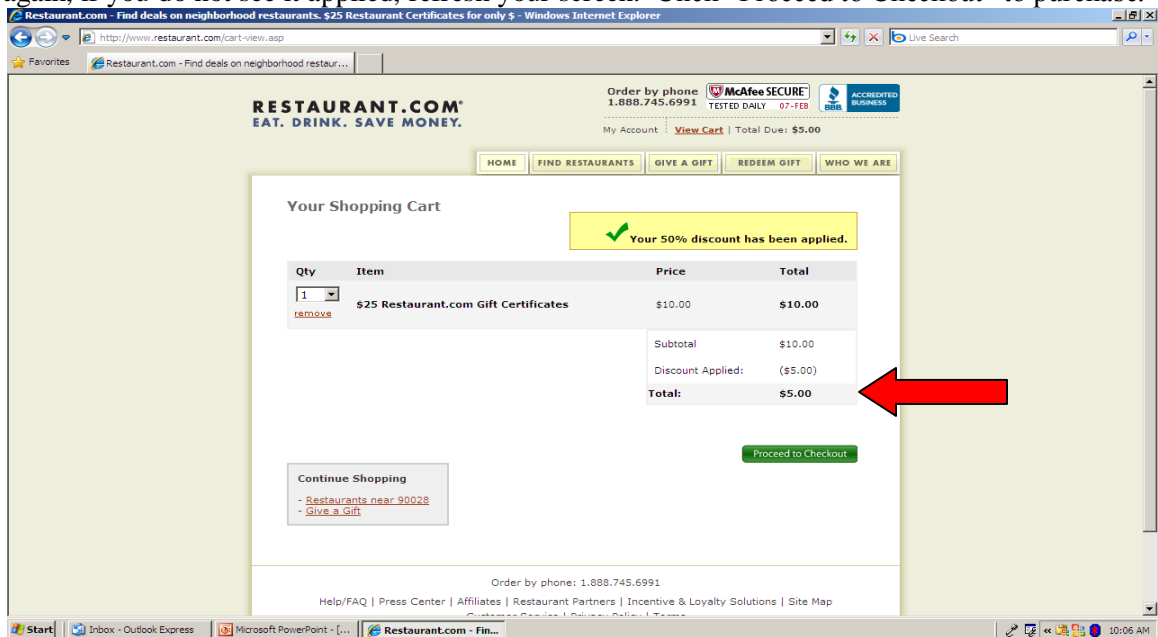

2. On the Restaurant.com website you can either 1) Choose and buy a certificate for a specific restaurant (yellow arrow) or 2) Buy a general certificate to give away; recipient chooses restaurant (red arrow). Though the full price displays, it is discounted after you apply the code.

- On the “Your Shopping Cart” screen find the “Enter Discount Code” prompt and enter the code you received for restaurant.com (center screen or upper right). Click “Apply.” Note: The code may have been “Applied” automatically. Refresh your screen if you do not see discount applied.

- You’ll see the additional savings applied because you used the code obtained from our network; again, if you do not see it applied, refresh your screen. Click “Proceed to Checkout” to purchase.

Now go back to your email and finish Step 2 which gets you a \$25 Restaurant.com certificate for \$5 or less. Many more offers like this one from restaurant.com are available. Step 3 in your email gives you access to our entire DONATE & SAVE network of over 2,000 discount merchants. You can: 1) Find merchants and discount codes, 2) Shop for the item you want, and 3) Apply the code to receive greater savings than the standard discount offered by the merchant.

Note: KEEP YOUR EMAIL since you will need the link in Step 3 to access our network until the link expires; at that time, please donate again to renew access.
